PE TIT HOLLY + INDIA MARR I ONN I ER + VI TAMI NE C & E + ZI NC + S EL EN I UM

Heavy legs ? **Circuit More** is a complex based on natural plant extracts including a small holly extract titrated in saponins, a horse chestnut extract titrated in aescin, combined with a seed extract titrated in oligomeric proanthocyanidins (OPC) and a blueberry extract titrated in anthocyanins. The addition of bromelain, quercetin, vitamins and minerals reinforces the action of Circuit Plus.

HEALTH CLAIMS

- ✓ Petit Holly and Horse Chestnut support venous circulation. Vitamin C ensures the normal functioning of blood vessels;
- ✓ Petit Holly and Horse Chestnut contribute to the sensation of light legs;
- ✓ Zinc and selenium ensure the proper functioning of the immune system;
- ✓ Vitamins C and E and selenium help protect cells against oxidative stress.

ADVANTAGES OF THE FORMULA

- ✓ Rich in plant extracts titrated in active principles;
- ✓ Combines vitamins and minerals;
- ✓ Contains bromelain and quercetin;
- ✓ Natural galenic form (pullulan) and excipient (rice starch).

RECOMMENDATIONS

Product reserved for adults. Do not use in pregnant or breastfeeding women or in children under 18 years of age. Do not use in case of gastric or duodenal ulcer or gallstones. Consult your doctor or pharmacist in case of concomitant use of anticoagulants. A doctor's opinion should be sought in the event of liver or gallbladder disease or in the event of concomitant use of medication. Keep out of the reach of children. Store at room temperature and in a dry place. Do not exceed the recommended daily dose.

AVAILABLE ONLINE, IN PHARMACY AND IN ORGANIC STORE.
