IMMUNIPPIN

SHIITAKE - PROPOLIS - ECHINACEE - NAC - VITAMINE C

Immunity drop? **Immunippin** is a specific complex containing a shiitake extract titrated in beta-glucans, propolis, echinacea, vitamin C and N-acetyl-L-cysteine.

HEALTH CLAIMS

✓ Purple Echinacea and Vitamin C contribute to the normal functioning of the immune system;

✓ Vitamin C contributes to normal energy metabolism and to reducing fatigue.

ADVANTAGES OF THE FORMULA

✓ Synergy of phytonutrients including

- Shiitake extract titrated to 50% in beta-glucans

- propolis extract

- echinacea extract

✓ Rich in N-Acetyl-L-Cysteine and Vitamin C;

✓ Natural galenic form (pullulan) and excipient (rice starch).

RECOMMENDATIONS

This dietary supplement does not replace a varied and balanced diet and a healthy lifestyle and is not a drug. Do not administer to children under 12 years old. Not suitable for pregnant or breastfeeding women. Inform your doctor and/or pharmacist if you are taking medication at the same time. Keep out of the reach of children. Store at room temperature and in a dry place. Do not exceed the recommended daily dose.

USING ADVICE :

1 to 2 capsules per day with a glass of water. 3 capsules in case of severe infection (medical advice).
