EVENING PRIMROSE OIL AND
URRACHE^{New}

RICH IN GAMMA-LINOLENIC ACID 27.5% + VITAMIN E

Is your skin dry, damaged, dehydrated? This synergy of evening primrose and borage oils is certified organic and is rich in natural fatty acids including gamma-linolenic acid (27.5%). The oil is stabilized with vitamin E.

HEALTH CONSIDERATIONS

Borage oil has an effect against dry skin and supports skin elasticity;

contributes to female well-being;

Helps maintain normal cholesterol levels thanks to linolenic acid.

FORMULA POINTS

High proportion of essential fatty acids rich in GLA (27.5%);

Balanced ratio of organic cold-pressed evening primrose & borage oils;

✓ Suitable for children (from 6 years old - 1 capsule per day).

PRECAUTIONS FOR USE

Allergen: contains fish. If you are allergic (hypersensitive) to active substances (fish).

RECOMMENDATIONS

Food supplement, cannot replace a varied and balanced diet. To be taken as part of a healthy lifestyle. Keep out of reach of children. Tell your doctor or pharmacist if you are taking medication at the same time. Product reserved for adults. Keep out of the reach of children. Store at room temperature and in a dry place. Do not exceed the recommended daily dose.
