

## TYROSINE MAX

## LTYROSINE 500MG

Tyrosine Max is a food supplement containing 500mg of L-tyrosine per capsule. Tyrosine is involved in the production of catecholamines.

## FEATURES

✓ Tyrosine is an amino acid precursor of dopamine.

## RECOMMENDATIONS

This dietary supplement does not replace a varied and balanced diet and a healthy lifestyle and is not a drug. Inform your doctor and/or pharmacist in case of simultaneous intake of medication and hyperthyroidism. Keep out of the reach of children. Store at room temperature and in a dry place. Do not exceed the recommended daily dose.
